## Our Attorneys

Schnader attorneys played a significant role in developing some of our nation's laws, most notably in the 30-year development of the Uniform Commercial Code, and in the development of the Uniform Probate Code. Our lawyers have served in high government posts at the federal, state and local levels and as in-house counsel for major corporations, taught in leading law schools and written numerous legal treatises and articles. We serve on the boards of many community and nonprofit organizations which range from human services and civil rights to access to justice and fair election advocacy. We are proud of our history and we continue to carry forth the legacy of our founders through our dedication to "the higher calling of the law."
