

## Dorothy Martinez

Dorothy Martinez is a paralegal in the Litigation Department with over thirty years of experience. She joined the firm in 1995 and has focused her career specifically in aviation and environmental matters. She also has experience in general real estate, employment, and personal injury matters. She assists in all phases of litigation, from inception through discovery and trial, including case file organization and document production, and has significant trial preparation experience. She is also the Office Coordinator in the firm's New Jersey Office.
